#### **SPEAKER BIO:**

Angelic Nguyen has many years experience as a silk painting artist, floral designer, graphic and web designer. Growing up with orchids and tropical flowers around her hometown near Saigon, Vietnam, her passion for orchids has shown up in her paintings and designs. After she and her family escaped from the Communists and came to the U.S. in 1990, she started a new life as a graphic artist at the San Jose Mercury News. She has been growing orchids for about 25 years, and started her company, Orchid Design, in 1999. Angelic works on orchid growing, orchid arrangement, graphic design, and web design. Recently she has also been concentrating on photography and has taken thousands of orchid pictures for promoting orchid shows.

Orchids she grows include Cattleyas, Phalaenopsis, Laelias, Dendrobiums, Oncidiums, Paphs, Phragms, Lycastes, Bulbophylums, Vandas; hybrids and species. She also has several rare Cymbidiums — standard, pendulous and peloric, — and has done some hybridizing of Cymbidiums, Laelias,

and Cattleyas. In the meantime, she enjoys finding different orchids blooming in her garden everyday.

Angelic was Art Director for the Cymbidium Society of America Journal in 2006, and served as the newsletter editor for the San Francisco Orchid Society for about ten years. She has been involved in many activities to support orchid societies with promoting orchid shows, design and printing for postcards, brochures and flyers, very active on social media and has also served as President, show chair, and as a board member of several Bay Area orchid societies. In the last 15 years, she has been helping the San Francisco Orchid Society promote their shows (Pacific Orchid Exposition and Orchids in the Park) successfully using her artistic skill, social media, advertising field and orchid experience.

Orchid Design has been participating in the Pacific Orchid Exposition, the Santa Barbara International Orchid Show, the San Diego International Orchid Show, the Fascination International Orchid Show, the San Francisco Flower & Garden Show, South Coast Garden Show and many other shows for the past decade.

She has also been giving orchid presentations and skill sessions for orchid and garden societies, using her experience and large selection of her photographs. She has spoken on a variety of orchid topics, including the 19th World Orchid Conference, Fragrant Orchids, Unusual Cymbidiums, Pendulous Cymbidiums, "Cattleya, the Queen of Flowers", "Laelia & Their Relatives", "The fascinating Orchids of Vietnam" and **"Cool Growing Orchids"**.

## **PRESIDENT MESSAGE**

Please continue to support your local Malihini Orchid Society!  
You're missing the fun if you don't show!

We had a Great December Holiday Party and feasted on Ribs, Ham, Sushi, Lasagna, Desserts and More!

Then, we had a plant giveaway where everyone got one of Weegie's last treasures.

We even had a few left over so if you didn't show up...you missed out.

We also had elections, and as Bill Weaver decided to retire as president after 10 years, the group decided to take a chance on me as the new president: John Humphrey.

Fortunately, all the other great officers are retaining their spots and so a new president should not screw it up too badly.

Looking forward to our next meeting on Friday, January 9th when Angelic will be our featured speaker talking about Cool growing Orchids in the Bay Area. Don't miss it. You'll be sure to pick up at least one pearl of wisdom!

See you there...  
John
